

TAHOE-TRUCKEE SANITATION AGENCY
Class Specification

Job Title: Safety Officer

Department: Engineering

FLSA Status: NON EXEMPT

Revised as of: 12/2019

DEFINITION

Administers the Agency's environmental, health, safety and emergency response programs; ensures compliance with applicable laws, regulations and insurance requirements; conducts and/or coordinates training; performs facility audits and inspections to ensure safety and compliance; provides guidance and follow-up to departments and managers on identifying, evaluating, and mitigating occupational hazards, risks and non-compliance; assists in administering the Agency's liability and risk management support services; and provides professional support and assistance to assigned manager.

DISTINGUISHING CHARACTERISTICS

The Safety Officer performs the full range of duties as assigned including regulatory compliance, training, and providing technical assistance to staff and managers related to occupational hazards, risks, environmental compliance and emergency response and is fully aware of the operating procedures and policies of the work unit.

SUPERVISION RECEIVED AND EXERCISED

Reports directly to, and receives direction from the Engineering Department Manager.

EXAMPLES OF DUTIES: *the duties specified below are representative of the range of duties assigned to this class and are not intended to be an inclusive list.*

- Administers and implements the Agency's safety, environmental health and emergency response programs; ensures compliance with applicable Federal, State and Local safety and health laws, regulations and insurance requirements.
- Administers and implements the Agency's Injury and Illness Prevention Program (IIPP) along with input from other Agency staff.
- Conducts and/or coordinates training; provides guidance and follow-up related to identifying, evaluating, and mitigating occupational and environmental hazards and risks and emergency response; and assists in administering the Agency's liability and risk management support services.
- Implements occupational and environmental safety policies, programs and procedures that promote a culture of safety; evaluates, develops and recommends additional and improved safety and health procedures and programs.
- Conducts site inspections and hazard determinations at on-site and off-site locations.

JOB TITLE: Safety Officer

- Identifies training needs; coordinates or provides new employee safety orientations and training on how to conduct work hazard assessments, incident investigations and site inspections; orders training supplies and prepares training materials; assists supervisors with safety “tailgate” meeting planning; maintains records of training and required certifications.
- Works with employees to correct safety deficiencies; provides advice to staff regarding safety, regulatory and health standards and requirements; serves as Chair of Employee Safety Committee.
- Conducts Agency compliance audits and in-house investigations of occupational and environmental safety incidents and matters; inspects and evaluates workplace hazards, workplace environments, and equipment and practices including conditions that could affect employee health, comfort and performance; ensures compliance with standards and regulations; makes recommendations; coordinates and ensures timely corrective actions are taken.
- Serves as Agency emergency response team coordinator and as liaison to outside first responders.
- Coordinates for and/or assists in the development and implementation of emergency response drills and exercises.
- Assists in the development and implementation of emergency management plans.
- Ensures emergency response equipment is ready for service.
- Calculates statistics; provides analysis of trends; reviews incident reports for completeness and delivers to Human Resources; maintains CalOSHA injury and illness logs and related records.
- Researches and measures exposure to loss; coordinates workers’ compensation cases and return-to-work processes with Human Resources; coordinates with Human Resources to administer Risk Management programs as relates to safety and security programs.
- Coordinates emergency response plan drills; and maintains library of reference materials.
- Coordinates and oversees contractor and vendor safety procedures; coordinates with, and serves as liaison for, various regulatory and enforcement agencies.
- Assists management in budget preparation for safety programs, equipment and supplies; prepares and presents a variety of reports and studies; evaluates equipment and makes purchasing recommendations; assists in maintaining inventory of safety equipment and supplies.
- Ensures applicable permits are maintained and Agency compliance with such permits; reviews and reports information for environmental reporting and permit requirements.
- Coordinates with outside consultants, as required.
- Represents the Agency with dignity, integrity, and the spirit of cooperation in all relations with staff and the public.
- Builds and maintains positive working relationships with co-workers, other Agency employees and the public using principles of good customer service.
- Prepares for and participates in effective public speaking presentations to a variety of audiences.
- Performs related duties as assigned.

JOB TITLE: Safety Officer
